REMARKS

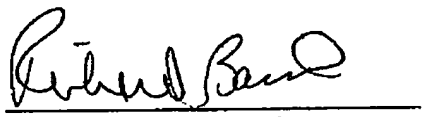
Page 14 of the specification and claims 13 to 15 were amended hereinabove to make an obvious correction of an obvious error. The correction involves the replacement of the term "2-pentanol" with -- 2-pentanone --.

The correction on page 14 of the specification occurs in the listing of ketones. The correction is obvious considering the fact that "2-pentanol" is not a ketone. The correction to claims 13 to 15 follows from the correction to page 14 of the specification.

In view of the above, entry of this AMENDMENT is respectfully requested.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

Respectfully submitted,



Richard S. Barth
